

HOW MUCH IT COST.

Details of Expenses of Republican State Committee.

THE SUM EXPENDED, \$18,413.30.

David Overmyer Also Files His Statement of Campaign Expenses.

The Republican state central committee by its treasurer, P. I. Bonebrake filed its statement of election expenses at the county clerk's office today. It fills five closely written, double column sheets. The receipts during the campaign were \$18,413.30. These receipts are accounted for only by "received from J. L. Bristow." The expenditures exceeded the receipts by \$20.63. Of this amount the larger part went for expenses of the speakers in the campaign. The item of "postage stamps, \$150.70" occurs repeatedly. Mrs. J. Ellen Foster was paid \$50.00 on October 5, for "salary and expenses." George W. Crane did considerable printing for the committee, for which he was paid out \$1,250.00. Chairman Bristow also drew about \$1,800 for "purpose not given." Another of the items was E. P. Green \$500 for "supplements."

David Overmyer, who paid his own railroad fare during the campaign, filed his statement of election expenses with the county clerk's office today. He states that he did not ride on a pass his expenses were very light. They were \$182.50. Of this sum \$87.05 was for transportation, and he names the two "given points" on each ticket. Mr. Overmyer spent an additional \$27 for sleeping car, and \$17.85 more for such items as meals and telegrams.

A. M. Harvey, chairman of the Populist congressional committee, reports that his receipts and disbursements were each \$1,084.90. Of the receipts \$671 was "collected," \$170.85 was received from the sale of long books, and Senator Peffer gave \$15. Frank Doster \$10, S. M. Scott \$20, W. A. Harris \$25 and R. B. Kopley \$10. Of the expenses \$604 went to the glue club, postage \$38, clerk hire \$113, printing \$85, travelling expenses \$53 and expenses of Silver Lake meeting \$25.

J. M. Hart, treasurer of the People's Party league for Shawnee county reports that he received \$272.85 and expended the same amount.

George W. Venable, successful candidate for representative in the Thirty-sixth district spent \$120, of which \$80 went to the central committee in the form of an assessment, \$15 for literary announcements, \$10, and Flambeau club \$10.

Charles R. Holliday, Democratic candidate for clerk of the district court, writes: "My expenses for running for the office of clerk of the district court were nothing. Yours for good government, business and rehabilitation, Chas. R. Holliday."

TO REVIVE IRRIGATION.

Extensive Improvements Ordered on
Garden City Properties.

ABILENE, Nov. 28.—Information has just been received from Hartford, Conn., stating that the bondholders of the Garden City Irrigation company, owning two of the largest irrigation properties in southwestern Kansas, at a meeting Friday decided to repair the ditches and put the property in working order. T. E. Dewey of this city is receiver for both companies and will have charge of the reuniting of the properties.

It is proposed to put them in perfect condition at a cost of \$15,000 to \$20,000 and to make a thorough test of their possibilities in raising field crops, especially alfalfa.

The ditches have 80,000 acres subject to them and the experiment of the stockholders will be the most extensive effort of the kind in the state.

ROCK ISLAND TIME.

Trains Change Over the Entire System,
Two of Them at Topeka.

General Superintendent A. J. Hitt of the Rock Island has returned from Chicago where he has been for the past week in conference with the division superintendents and others regarding the change of time that will occur on the entire system next Sunday, December 2.

Only two trains will be effected in Topeka. The train from the south and west, bound for Kansas City that has been arriving in Topeka at 2:35 and leaving at 4 o'clock p. m. will arrive at 3:10 and leave at 3:20. The St. Joseph plug that has been leaving Topeka at 8:35 p. m. will after next Sunday leave at 8:25 p. m. All the other trains in and out of Topeka retain their present time.

HE GOT OFF EASY.

A Young Man Who Used the Mails to
Defraud, Fined.

H. D. Hubbard of Burlington appeared before Judge Foster yesterday afternoon and pleaded guilty to using the mails to defraud, and was fined \$25 and costs. Hubbard is a young man belonging to a good family in Coffey county, and his father paid his fine.

It was some time ago that Hubbard met a young man by the name of West, whose family history he learned. After he had separated from West he wrote to a cousin of his companion by the name of Butts, living at Mexico, Mo. He told Butts that West died on the road from California, and had directed that all his property be turned over to Butts. He said that West had at the time of his death a deed to 145 acres of land in California, and \$5,000 in notes, and offered to turn them over to Butts for a certain sum of money.

Butts saw through the fraud and had Hubbard arrested, and he had a narrow escape from the penitentiary.

BLAND FOR GOVERNOR.

Silver Dick May Make the Race in 1896.

WASHINGTON, Nov. 28.—Congressman Bland is being urged to become a candidate for governor of Missouri in 1896. Lively correspondence looking to this end is going on between Washington and Missouri. It is deemed highly important by Mr. Bland's friends that he authorize an announcement of his intentions at once. Such action, it is argued, will give the apostle of free silver a clear field. The only other candidate likely to be before the convention is Judge Gibson of Kansas City. If Mr. Bland will consent to let it be known now that he is a candidate, his friends are assuring him that he will have to make no canvass previous to the nominating convention.

This is not the first time Mr. Bland has been urged to become a candidate for governor. Up to the time of his defeat for congress, however, he would not listen to it. Now it is claimed that he is giving the matter serious consideration.

The secretary of state is receiving by every mail corrected election returns. Many county clerks made errors in their abstracts and they all have to be corrected before the official count can be completed.
